

Cheer Frequently Asked Questions

1. Can I volunteer to coach or be a team mom?

Definitely!! Our organization wouldn't succeed without volunteers, coaches and team moms. We will hold a coaches meeting for those interested but have never coached a youth cheer team before. We look forward to new coaches every year so please send email to cheer@titansyouthfootball.com if you're interested in being a coach or team mom.

2. Do we cheer at the football games?

Of course! The Titans boys need the cheerleaders on the sidelines! A schedule will be sent out as we get closer to the start of games.

3. Do you have to try-out?

No

4. How much cheer experience is expected to be apart of the cheer squad?

Our dolls rang from beginner to elite competition cheer experience. It is NOT, expected to be at an elite level to join the team. However, the more experience/ training when it comes to competition, gives us a BIG advantage with routine choreography, stunts, tumbling etc.

5. I have a son who plays on one of the 4 levels of the Texas Titans, can my doll cheer for their sibling?

Biological/ Step Siblings get priority over non-siblings. We will do our best to keep families together, however, these rules are on the contingent that we have an accurate Cheerleader to football game ratio that is set by the YFF.

6. Is the cheer program a DRILL TEAM/ DANCE program or actual CHEER program?

Titan Dolls is a CHEER PROGRAM. Our dolls will learn cheers, basic tumbling, stunts, flexibility. All are required by YFF competition routine.

7. Is there a competition?

Yes! Usually the first Sunday in November our league hosts a competition for all cheer teams in the YFF. It's an all-day event and lots of fun!
